2018 NANS Program Book Advertising Opportunities

Advertising in the 21th Annual Meeting Program Book offers you concentrated exposure to more than 1,700 specialists in the field of neuromodulation who are expected to attend the 21th Annual Meeting, as well as more than 1,300 NANS members who will view the program book on the NANS website, www.neuromodulation.org. The program book features the complete listing of educational sessions, presenters, meeting events, and exhibit activities.

Printing Specifications

The program book is printed via DocuTech using a 110-line screen and is perfect bound. Halftone images should be 1,200 ppi.

Ad Materials

Digital composite ads are acceptable in the following formats: EPS or PDF formats, with all images and fonts embedded, and TIFF or JPEG formats at 1,200 ppi with no compression applied. Our printing methods produce pleasing color, and we do not require a high-end color proof.

If you have more exacting color requirements, please send a match print or color-calibrated professional proof.
