

## 2027 NANS Call for Abstracts Step-by-Step Submission Instructions

NANS is using an online abstract system, Cadmium, to collect abstracts for the 2027 Annual Meeting. Individuals submitting abstracts will be required to answer questions about the abstract and complete a series of tasks. Please reference the instructions below to navigate the abstract system. If you have any questions then please contact Kim Stamp, Education Coordinator at [kstamp@neuromodulation.org](mailto:kstamp@neuromodulation.org).

### Creating a Login

- For all submissions, you must login to the Cadmium module at [2027 Call for Abstracts Submission Site](#).
- If you are submitting an abstract or submitting on someone's behalf then you will be required. to create an account. Click the **“Create Account”** button under “New Users” to begin.
- Once you have an account, if you would like to submit more abstracts or edit your abstract before the deadline, then you will login by **“Already a User”**.
- If you forget your access key (password), please click on the **“Lost Access Key”** link under already a user.

The screenshot shows the submission site interface. At the top, there is a banner with the NANS 2027 logo and the text 'Call for Abstracts Now Open! Deadline: Monday, Aug. 17'. Below the banner, there is a navigation bar with 'Call for Abstracts | (closes 2:00 PM EST on Monday, August 17, 2026)' and 'Conference Details | Technical Support'. The main content area is titled 'Welcome to the Submission Site' and contains the following text:

NANS is using Cadmium for our Call for Abstracts for the 2027 Annual Meeting.

Deadline: Abstracts are due by 1:00 PM CDT on Monday, August 17, 2026.

You will be using this form to provide your contact information and your required submission details for review. Click Create Account below to begin.

Please click the Submission Guidelines for more information.

The 'Log in to the Abstract ScoreCard' form has two main sections: 'New Users' and 'Already a User?'. The 'New Users' section has a 'Create Account' button. The 'Already a User?' section has a 'Login' button and a 'Lost your access key?' link. A red arrow points to the 'Already a User?' link, and another red arrow points to the 'Create Account' button.

Questions? Organizer: Kim Stamp - [education@neuromodulation.org](mailto:education@neuromodulation.org) / (773) 770-4178

## Account Profile

- Next, to create an account you will need to enter your contact information.
- An \* indicates a required field that must be completed.
- You are required to enter your first name, last name, address, city, state, zip, country, email address, institution/organization, and credentials.

**ACCOUNT PROFILE** Create Account

Please complete the information below and then press the 'Create Account' button.  
You will be the contact person for all information that you submit using this account.

\* Indicates a required field

<b>Personal Details</b>	<b>Mailing Address</b>	<b>Contact Details</b>
Prefix <input type="text"/>	Address Line 1 * <input type="text"/>	Office Phone <input type="text"/>
First Name * <input type="text"/>	Address Line 2 <input type="text"/>	Cell Phone <input type="text"/>

## Access Key:

You will need to create an access key that you will use to access your submission information in the future.

The access key must:

- Be at least 8 characters long
- Contain a character from three of the following character sets
  - Uppercase letter
  - Lowercase letter
  - Number
  - Or non-alphanumeric character
- After you set up your access key then you will use your email and this access key to login to the system

After creating your access key, then please click on the **“Create Account”** button.

 Access Key

Please type in an access key that you will use to access your submission information in the future.  
The access key must be at least 8 characters long and contain a character from three of the following character sets: uppercase letter, lowercase letter, number, or non-alphanumeric character.

## Adding an Abstract

Next, you will answer some initial questions about your abstract.

START A NEW PROPOSAL

Submit

Enter your abstract title and select a category below. Click Submit to continue.

### Abstract Title \*

Enter the title of your abstract, as you want it to appear in meeting publications in the box below.

- Do NOT use all CAPITAL LETTERS.
- Use Title Case; See example below:  
This is a Properly Formatted Abstract Title
- Please limit the length of your title to 15 words - Title should be brief, clearly indicating the nature of the presentation.

0 characters (200 max)  
0 words (15 max)

### Abstract Category \*

-- Select Abstract Category --

#### Abstract Category Descriptions

##### Scientific Abstract

This category may be considered for all presentation formats: Oral Presentation, Paper Presentation, or E-Poster.

##### Case Reports/Small Series

This category will only be accepted for a Paper Poster Presentation or an E-poster.

Submit

## Abstract Category:

- Select which abstract category you would like your submission to be considered for from the dropdown list.
- A description of abstract categories is listed in the submission system and can be found in the submission guidelines.

### Abstract Category \*

-- Select Abstract Category --

-- Select Abstract Category --

Scientific Abstract

Case Reports/Small Series

entation formats: Oral Presentation, Paper Presentation, or E-Poster.

This category will only be accepted for a Paper Poster Presentation or an E-poster.

## Save your Work:

- After you have answered these questions then click on the blue **“Submit”** button to save your work.
- There is a **“Submit”** button at the bottom of the screen or top of the screen.
- You may return to this page at any time to make updates until the 2027 Call for Abstracts closes.

## Task List:

- Each task will guide you through the information required to submit your abstract in the system.
- Please click on each task and enter the requested information.
- Once a task is completed, the task will have a large **green check mark** next to it.
- Tasks include:
  - **Task 1:** Add Abstract Organizer and Presenting Author
  - **Task 2:** Co-authors
  - **Task 3:** Abstract
  - **Task 4:** Charts, Graphs or Images
  - **Task 5:** Terms and Conditions
  - **Task 6:** Disclosures

**1. Add Abstract Organizer and Presenting Author**  
Click into this task to add authors to this submission.

**2. Co-authors**  
Click here to add co-authors to this submission.

**3. Abstract - Scientific Abstract**  
Click into this task to add abstract data.

**4. Charts, Graphs or Images**  
Click into this task to upload graphs or images.

**5. Terms and Conditions**  
Click into this task to complete the Terms and Conditions requirement.

**6. Disclosures**  
Click into this task to complete the Disclosure.

## Task 1: Add Abstract Organizer and Presenting Author

- You will enter your information for the abstract organizer as well as for the presenting author. All communications for the abstract are sent only to the presenting author.

## EDIT ADD ABSTRACT ORGANIZER AND PRESENTING AUTHOR...

Save Authors

Please add the abstract organizer and presenting author for this submission.

### To add an author:

- Type the abstract organizer's or presenting author's first name, last name, and email address.
- Select at least one role, Abstract Organizer or Presenting Author.
- \*If the Abstract Organizer and Presenting Author are the same then select both roles.
- Click 'Add Author.'

### To complete an author's profile:

- Click on the 'Edit Author' button to complete the profile.
- A **green check mark** indicates a complete profile.
- Once the profile is complete, click 'Save Authors' to complete the task.
